

THE E3 ROBOTICS CENTER

EXPLORE - EDUCATE - ENGAGE

WWW.E3ROBOTICS.ORG

Last year, our business partners sponsored a level, registered a team from their company, and also sponsored a team registration for a team of 1st Responders or Educators, which was a huge success and greatly appreciated by the recipients. To show our appreciation for our community, we invite you to invest in our youth and support E3 Robotics Center's Palooza daVinci Golf Outing while also thanking the First Responders and Educators.
